

In Their Own Words

“Summit is a huge learning experience. Nobody else offers anything like that.”

Chris Brady, CIO
Dealer Services Corporation

“Summit is a great opportunity to come and learn more about the products as well as what’s in store for the future. It is just a great learning tool!”

Tim Brynda, Software Engineering Analyst
Ace Hardware

“From entry-level sessions to expert labs, I have never seen a conference with as much meat on its bones.”

Andrew Moulton, Director of MIS
American Alliance of Creditor Attorneys

“The networking is probably, for me, the greatest key. It’s just great, as is the technology in each of the sessions.”

Rob Fosnaugh, Lead Business Intelligence Analyst
Brotherhood Mutual

“Summit is one of the great experiences that you can have as a WebFOCUS or any other Information Builders product user. It is an opportunity to pick up ideas to expand your horizons and your use of this great product.”

John Sheridan, Manager Business Technology and Development
Administaff

“One of the reasons why I like to come to this Summit opportunity is to learn what is on the horizon, what is coming out in a tool, and how to better use the tools I already have.”

Suzanne DeBlanc, Director of Data Management
San Jacinto College
